GYMKHANA – JR'S & SR'S
NEW: Saturday, 9:00 a.m.**

Gymkhana rules/guidelines handout available entry day. Gymkhana will be judged for A,B,C rating ribbons, by the judge. The placing ribbons will be awarded on the time recorded on the BCYF electronic timer and backed up by the two (2) stop watches. Mandatory Inspection will be required by the judge and/or equine committee member (prior to the beginning of classes) of the contestants, equine, tack (except safety equipment) and to review the rules. Exhibitor must remain in the make-up ring until completion of the class. 1st and 2nd place ties in regular classes are to be broken by a rerun of the pattern. Rerun must be made within 2 seconds of original time. A Championship class tie will be determined by a down and back race. If a tie still exists, winner will be chosen by a coin toss, by the judge. If exhibitor is not present to "run off" in Championship ties they will default to the lower placing. Gymkhana riders shall be dressed with long sleeve, collared shirts, belt and boots according to the discipline.

Exhibitors are encouraged to wear protective safety vests.

Mandatory Protective headgear: All participants in all gymkhana classes are required to wear properly secured protective riding helmets whenever they are mounted. May be subject to inspection. The helmets must meet the specifications of the American Society for Testing and Materials (ASTM), must be manufactured and distributed by a participant in the certification program of the Safety Equipment Institute (SEI) and must bear the SEI certification label (SEI F1163 or above). May be subject to inspection. **The exhibitor (or his or her parent or legal guardian if the exhibitor is a minor) – not the local show officials or judge – is solely responsible for complying with the headgear rule.** Show officials reserve the right to spot-check helmets at any time to verify compliance with this rule. Additional safety equipment is strongly recommended and will not be discriminated against regardless of discipline. A five (5) second penalty will be assessed for loss of headgear during course of the pattern. Riders may use two (2) hands on reins at any given time during

the course of pattern. **Rider must mount in the make-up ring and ride into the Show Ring unattended.** A bit, hackamore or mechanical hackamore is permitted. Chaps are optional in all western performance classes. Approved bats must be a minimum of one (1) and one-half (1/2) inches wide. Over and Under are not allowed. Tie downs are allowed. Hitting in front of cinch and/or girth will disqualify the exhibitor.
